SCREENSHOTS OF THE PROJECT--

Index.html -- Home page

Register.html -- To register users

A screenshot of a web browser displaying the registration page of the 'sportyshoes' website. The browser's address bar shows 'localhost:8386/register'. The website logo and navigation links ('Home', 'Shop', 'Sign Up') are visible. The page has a heading 'Sign Up Now' followed by the instruction 'Please fill out this to register'. The registration form includes fields for 'First Name' (filled with 'Rohan'), 'Last Name' (filled with 'Karande'), 'Email address' (filled with 'rohankarande@gamil.com'), and 'Password' (filled with six dots). A blue 'Register' button is at the bottom of the form. Below the button is a link that says 'Already have an account Login here'.

adminHome.html -- Admin portal after login

The screenshot shows the Admin Home page of the 'sportyshoes' application. The browser address bar shows 'localhost:8386/login'. The page features a header with the 'sportyshoes' logo and a navigation bar with 'admin-home' and 'logout' links. A large central banner reads 'Welcome back, Admin' with the subtitle 'Easily manage your data from this admin page'. Below the banner, there are three management cards: 'Users' (Manage the user data here.), 'Products' (Manage all the products here.), and 'Purchase Report' (Manage all the purchase data here.). Each card has a blue 'Manage' button.

UserData.html -- admin can see users list

The screenshot shows the User Data page of the 'sportyshoes' application. The browser address bar shows 'localhost:8386/admin/userData'. The page features a header with the 'sportyshoes' logo and a navigation bar with 'Admin-home' and 'Logout' links. A blue button labeled 'Sort by name' is positioned above a table. The table lists 7 users with columns for SN, First name, Last Name, and Email.
